

ARNA ICO Referral Program «ARNA Best Friends»

Dear Friends, we are happy to announce launch of ARNA referral program to increase your activity in order more people could be informed about our project and could support us to make this world better!

Program consists of two parts:

I. ARNA token bonuses for you and your friend

Follow these simple steps in order to participate:

A	Register on ARNA website	•	to participate in referral program
B	Buy ARNA tokens	•	and get bonus!
C	Share referral PROMO LINK with friends	•	both you and your friends will get bonus, when friends buy ARNA tokens!

If you have already registered on our website — go to your account page to get referral link information. Just login at <https://wallet.arnagenomics.com/login> to find YOUR personal link.

How can I participate in Referral program? Below we provide 3 basic scenarios, if you still have questions, contact us for explanations:

1. *I have already registered and bought ARNA tokens before!*

You will automatically get bonus according to the spreadsheet below. After that you are encouraged to share your personal promo-link to get additional bonuses.

2. *I have anonymously bought ARNA tokens without a registration!*

In order to participate you are required to register on our website. During registration please provide your personal ETH wallet address (DO NOT use exchange or any smartcontract addresses!), from which you have paid anonymously before. You will be rewarded for your prior purchase as well as get promo-link you can share with your friends.

3. I have not yet bought any ARNA tokens, what should I do to get bonus?

Do not worry, there is still some time available to join our project! Just register on our website, provide your personal ETH wallet address — and we will reward you and any person who will come to our website using your link with bonuses according to the spreadsheet below.

** All initial bonuses will be sent in 10 days after this announcement.*

ARNA Token Bonus Grid

I am bringing friends to ARNA		I am newcomer. What do I get?	
Total amount ranges you have referred	Bonus you get in each range in ARNAs	I am going to get ARNA tokens equal to:	Bonus I get for each payment in ARNAs
0.1 – 0.99999 ETH	+5%	0.1 – 0.99999 ETH	+5%
1 – 9.99999 ETH	+10%	1 – 9.99999 ETH	+10%
10 – 19.99999 ETH	+20%	10 – 19.99999 ETH	+20%
20 – 29.99999 ETH	+30%	20 – 29.99999 ETH	+30%
30 – 39.99999 ETH	+40%	30 – 39.99999 ETH	+40%
40 ETH and more	+50%	40 ETH and more	+50%

This spreadsheet obviously requires some explanation. Left side is for those who bring new friends to ARNA — all payments received from your friends are summed up and you get bonuses for each range separately. On the right is a list of bonuses for each payment if you are paying on your own.

Example: you have bought ARNAs for 11.5 ETH yourself and brought 10 friends who have in total bought ARNAs for 18 ETH.

For your payment of 11.5 ETH you will get 20% from the “green side” of the spreadsheet. So, for your payment you get 13.8 ETH equivalent in ARNA tokens.

Additionally, you get the following bonuses for your friends: 5% for the first 1 ETH, 10% for the next 9 ETH and 20% for the 8 ETH remaining (0.05+0.9+1.6 ETH) — totaling 2.55 ETH equivalent in ARNA tokens!

So in total in our example you will get 13.8 + 2.55 ETH = 16.35 ETH

II. Crypto cash-back

In addition to 1st part of Bonus program, we offer you an extra bonus in ETH, for ARNA token purchased by your friend.

I am bringing friends to ARNA	
Total amount ranges you have referred	Bonus you get in each range in ETH
1 – 9.99999 ETH	1%
10 – 19.99999 ETH	3%
20 – 39.99999 ETH	5%
40 ETH and more	7%

Intrigued? We hope so – so these are the rules how to get this cash-back:

- Informs us by dropping a line to CCB@arna.bio at least 1 hour in advance to the actual payment of your friend's ETH wallet number, BEFORE the a purchase and also do not forget to provide your personal ETH wallet number, where you want to get a cash-back!
- You will be required to sign indemnification clause, that you are not a citizen of the country, where such type of activity requires special license, so you do not break the law of your country.
- Cash-backs will be sent no later than in 7 days after current token sale period closes, BUT ONLY in case we achive soft cap level (1 000 000\$ for this period). We think reasons behind this are obvious...

ATTENTION!

If you or your friend will buy ARNA tokens for more than 40ETH, this will make you or him possible to join ARNA Genomics VIP Rewards Program. This will make possible for the person, who purchased ARNA tokens to join ARNA VIP Club and obtain the right to get ARNA shares after passing Know Your Customer (KYC) procedure.
